

STAGE REPORT

Project Principal:

Title of project:

Start of the project (date):

Scheduled end of the project (date):

Research Grant no.:

Stage:

I . *Merit Content*

Abstract: *(Please include a short abstract of about 200 words)*

Background:

Aim:

Methods:

Key questions addressed:

Results *(Please fill in a short description of the results reached so far)*

1. What issues were answered by conducted studies and obtained results?
2. Conclusions *(Please fill in a detailed description of the conclusions reached in fulfilling this deliverable):*
3. Deviations/delays. Are there any delays? Is the research conducted according to schedule?
4. If not, what are the reasons of their appearance?
 - Deviation:
 - Reason:

 - Delay :
 - Reason:
5. Steps in achieving the study objective
6. Are the results of the research published or are a part of a publication or will be published in the nearest future? If so, please provide details and attach all publications and relevant information.

II. SETTLEMENT OF COSTS BURIED IN RESEARCH PROJECT NO. ... ON STAGE NO. ...

1. COSTS IN GENERAL:

In particular:

a) Personnel costs TOTAL:

Details:

b) Other cost TOTAL:

Details:

.....
date, Key Accountant
